## WORLD-RENOWNED INNOVATIVE ABOVE GROUND POOLS

For over sixty years Vogue Pools has represented quality and innovation in the above ground pool industry. Vogue Pools is internationally recognized. We have manufactured, sold, and installed more than one million above ground pools all over the world. Vogue pools are manufactured with the highest standards to ensure they withstand the tests of time, extreme weather conditions, and use. We take pride in our pioneering heritage, still focusing on innovative designs and engineering.

The dimensions, weights, illustrations and other specifications are approximate. The company reserves the right to modify and/or discontinue without notification any feature in any pool model. Your above ground pool is designed to provide years of pleasure and safe family fun, so water safety practices should be strictly followed and enforced. Your pool contains shallow water, which makes diving or jumping unsafe. Diving or jumping into shallow water can lead to severe injury or death. Please observe the safety precautions that were provided to you when you purchased your above ground pool and conform to all local regulations. © Copyright 2021
