54" HIGH POOL WALL

Dark brown-tones ease your cares away as you relax
and refresh in this beautiful pool.

HII HOLLOWELL
INDUSTRIES
INCORPORATED

Quality Features

- 10" wrap around top connectors.
- Huge 8" resin top rails and 7" steel verticals in a brown-tone.
- 54" hot-dipped, galvanized copper bearing steel wall.
- Compac oval support system allows larger pools to fit into smaller backyard settings. Plus, it is easy to install.
- Also available with compac strap oval system.
- Large, pre-punched skimmer and eyeball return openings eliminate sharp edges that could cut the liner during installation.
- Staggered bolt wall closure provides maximum strength and wall stability.
- Corrugated pool wall for flexibility and vertical strength.
- Step options are available on the following pool sizes: 33' x 18' and 40' x 18'. Step options for additional pool sizes will be reviewed upon request.

Available Sizes

Check pricesheets for details.

IMPORTANT: The "No Diving" and other Warning signage provided must be installed on each pool as indicated in the instructions provided.

NOTE: In some photos of the pools in the brochure (or web site), the "No Diving" and other Warning signage may not be visible, such Warning Signage must be installed as indicated in the instructions provided.
