: Zenith™

A vibrant photograph of a woman and a child splashing water in a swimming pool. The woman, in the center, is wearing a white tank top and has a joyful expression, her face wet with water. To her left, a child in a red swimsuit is also splashing. To her right, another child is visible, smiling. The background shows a clear blue sky and the ocean. The overall scene is bright and energetic, capturing a moment of summer fun.

**• half a century
of family fun!**

Quality and innovation have made Vogue a world-renowned name in the global aboveground pool industry. With many years in the business, our enthusiasm for great pools and summer adventure is as strong as ever – and we demonstrate it with every pool we make!

∴ **what will you
be doing this
summer?**

How about...

chatting with friends in the shade

hot dogs grilling on the barbecue

joining in water games with the kids

soaking up the sun on a floating lounge

taking an evening dip in the pool...

With a Vogue outdoor pool, your
backyard will be the place to be
this summer!

Tuscany wall ∴ ∴ y.e.s.

Wall height: 52" (1.32 m)

The wall is available in shades of clay for all models and sizes. It is protected by a resin-based paint called Resin Shield, which provides an extra layer of resistance against corrosion.

Yard Extender System

Our oval pools come with the Yard Extender System, a series of practically invisible lateral supports that you place in the ground. It is a must for anyone who wants to make the most of their yard – and their pool!

⚡ amazing durability!

The Zenith's steel structure is entirely protected by a variety of finishes. These optimize its resistance to corrosion while preventing condensation between the liner and the wall – ensuring a long, solid life for your pool.

WORLD-RENOWNED INNOVATIVE ABOVEGROUND POOLS

Trendium Pool Products Inc.

7050 St-Patrick Street, LaSalle, Quebec CANADA H8N 1V2

The purchase of an aboveground pool provides years of pleasure and fun, but it also involves water safety. Although we cannot supply a full-time lifeguard, we strongly recommend that you implement the following safety rules. These will help provide a pleasant atmosphere for you and your family.

- NEVER jump or dive in an aboveground pool.
 - Maintain constant adult supervision when children are in or near any body of water.
 - Read all of the safety, installation and maintenance information contained in your pool's instruction manual and water safety brochure before you start installing your pool.
 - Ask your city about any specific rules and regulations that apply to aboveground pools.
 - Follow your instruction manual and maintenance instructions.
 - Never remove applied or posted safety stickers or signs from your pool or pool area.
 - Barriers to prevent unsupervised access, especially by young children, should be built, installed and checked on a regular basis to ensure they are in good working order.
- Inspect your pool, barriers, alarms, and other related equipment on a regular basis in order to ensure they are in good working order and that they are safe.

Your pool's installation, maintenance and safety manuals contain detailed tips and recommendations. They must be read, followed and applied on a regular basis, as they will prevent unnecessary accidents and will ensure many summers of pleasant and safe family fun.
