PRODUCT HANDLING AND MERCHANDISING: Our products are all natural and will be affected by heat, humidity, and extreme temperature fluctuations. The ideal temperature environment for our products is a cool dry area (60-68 degrees).

Be careful not to display these products under hot lights or in rooms that are not air-conditioned. Refrigerated cases are not required to sell our product.

- Orders will not be taken until credit application is fully completed and submitted to accounting.
- Wholesale prices are based on a \$300 minimum order and are available for full case packs only.
- Orders are to be paid in full by credit card at time order ships.
- Prices in catalog do not include shipping charges.
- Orders are fulfilled within 1 week from receipt of order, once account is fully set up. During high volume holiday periods allow 7-10 days for order fulfillment.
- Factory will not break case packs. Wholesale pricing will not be honored if you break case packs.
- All shipping is done via Federal Express. When temperatures go beyond 68 degrees, overnight shipping must be used.

INSPECTION FOR MOLDED ITEMS: Molded items are fragile and can't be shipped via FedEx. All molded items can be delivered by our van (every Thursday) or client can pick up at our Hudson St retail store. All other items can be shipped via FedEx. Client is required to inspect all molded product at time of pick up. Any damaged product found will either be replaced or invoice adjusted at that time. Once invoice is signed by client after inspection, order is final and no adjustments will be made per company policy.
