Description

Art Deco Club Chairs, ca. 1930

Classic Swedish Funkis design, marrying geometry with function, these chairs were first used aboard the Swedish American cruise ships, and soon found their way into private homes of the well travelled. These roomy, comfortable chairs accommodate the long torso as well as the short legs of the petite client. The bent arms and feet of the chairs are crafted of choice solid Nordic birch and have been reupholstered in bittersweet brown leather.

Customization

These chairs have been fully refinished and reupholstered in leather.
