This service is a specialist 2-man home delivery, into room of choice (excluding basement or having to navigate numerous amount of stairs) with packaging taken away as opposed to a box drop, therefore it is not possible to offer numerous delivery dates and specific times.

Deliveries are made between the hours of 8am-8pm. Once your delivery is scheduled you will be contacted to advise which day this will be. The logistics company will either contact you the day before delivery or on the day of delivery to advise an approximate time of arrival.

If for some reason you cannot accept the first offered date, you will be offered the next available date when your area is next covered.
