

Used/Preowned Disc Program

Terms and Conditions

Based on the following criteria, we buy used and preowned discs for cash, or a 20% bonus for store credit!
Store credit is for regular priced items only and can't be combined with any other discount, sale, or promotion.

- ❖ We accept discs rated 6/10 or better based on the chart below and the DDGA "Sleepy Scale".
- ❖ All discs must be clean. Price will be decreased by 50 cents for each disc we have to clean.
- ❖ All sellers must complete the LDG Preowned Disc Certification form on the second page of this form and submit it with the discs they intend to sell. We will grade the discs.
- ❖ We sell discs with the same rating as we buy them, so we will rate them and pay you accordingly.
- ❖ We reserve the right to reject certain molds due to low demand or excess inventory.
- ❖ We do not accept discs that have damage deeper than 1/16" or longer than 1/8", don't have flight characteristics that are reasonably close to new, have holes or cracks, are weather damaged, or warped, have had their thickness unnaturally altered, or lost discs you haven't attempted to return.
