

Novex Coconut Oil

Enriched with the purest coconut oil from Brazil along with Vitamin E, **Novex's Coconut Oil Collection** is ideal to revive dry, rebellious and frizzy hair. While maintaining the hair's natural moisture, it prolongs a smooth and straight effect. Coconut oil is a natural substance that is extremely nourishing and moisturizing. It has a high concentration of elements that strengthens the hair structure leaving it protected and resistant to external agents.

To Use:

1. Apply **Novex Coconut Oil Shampoo** and rinse.
2. After shampoo apply **Novex Coconut Oil Deep Conditioning Hair Mask** to moist hair and massage.
3. Allow deep treatment to sit on hair for 25 minutes and then rinse well.
4. Optional: apply **Novex Coconut Oil Leave-In Conditioner** before blow drying as a heat protectant and for extra shine.
5. Use **Novex Coconut Oil Conditioner** for daily care.
