

NEW: Novex Brazilian Keratin Thermal Protector Styling Leave-In Spray

Novex Hair Care is excited to introduce its newest product to the popular line, Brazilian Keratin. The **Novex Brazilian Keratin Thermal Protector Styling Spray Leave-In** (\$16.99) combines 10 benefits into just one sophisticated product. **Novex**, known as the leading Keratin product line in Brazil, has manufactured a styling spray leave-in with the highest technology to repair, protect and leave hair with exceptional shine and weightless touch.

The **Novex Brazilian Keratin Leave-in Spray** is recommended for women of all hair types and to be used as a thermal protectant for hot tool lovers. With the **Brazilian Keratin Leave-in Spray**, no rinse is necessary and with just a few sprays, the leave-in offers numerous hair benefits for your convenience:

- Frizz control
- Detangles hair
- Provides shine
- Heat protectant
- Prevents split ends
- Adds smoothness and softness
- Repairs damage
- Color protectant
- Leaves hair feasible
- Guaranteed long lasting effect

Novex is available at www.novexhaircare.com.
