

## CHOOSE YOUR CAKE PACKAGE

### BASIC

The **BASIC** package is perfect for guests who prefer a standard cake design with minimal décor. This is also the least expensive.

The flavor options for this package are preselected. Please see below for details.

#### *Pricing:*

5"	\$24.95
6"	\$34.95
8"	\$49.95
10"	\$74.95
12"	\$109.90

### CLASSIC

The **CLASSIC** package is the most popular category and is perfect for guests who are looking for a simplistic yet custom design.

The flavor options for this package are any cupcake / frosting flavors that are currently seen in the bakery display cases.

#### *Pricing:*

5"	\$29.95
6"	\$39.95
8"	\$54.95
10"	\$79.95
12"	\$114.90

### DELUXE

The **DELUXE** package is highly customizable and is the best option for customers who are looking to take their cake to the next level.

The flavor options for this package are any STF cake/frosting flavor we offer.

#### *Pricing:*

5"	\$34.95
6"	\$44.95
8"	\$59.95
10"	\$84.95
12"	\$119.90

## *. . . Before You Begin . . .*

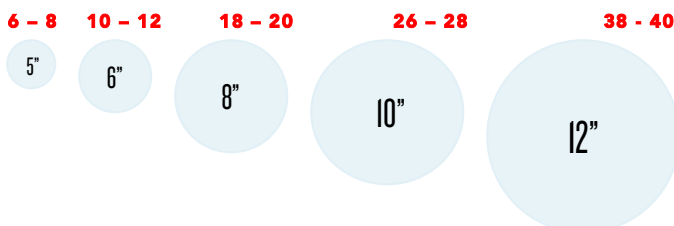

**PICK UP:** If you or your designated party elect to pick up, you assume all liability and responsibility for the condition of the cake once it leaves Sweet Tooth Fairy's possession. Once an item has been picked up by you or your designated party and leaves our possession, it is considered accepted. For tiered cakes, we strongly suggest delivery and setup to be done by a Sweet Tooth Fairy employee.

**DELIVERY:** The client is responsible for providing an appropriate size, level, and stable table with a cool and safe environment for the cake(s). We are not responsible for damage resulting from tables that are not level, weak, too small, or placed in a warm area. Please keep in mind that there can be wind, rain, temperature, pets, bugs, or other situations, especially for outdoor deliveries that can harm or cause damage to your cake.

## *Build Your Cake*

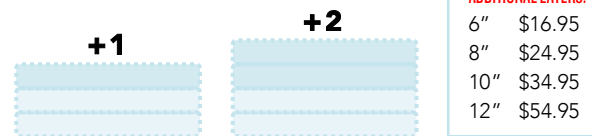

### 1. CHOOSE YOUR SIZE

Serves on average:

### 2. ADDITIONAL LAYERS

\* Cake prices shown are 2 layer cakes. Additional layers available for additional cost.

### 3. ADDITIONAL TIERS
