COMPONENTS

🔍 Set 🔍 Covers

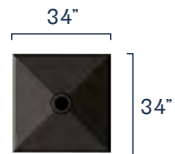

11.5' Octagon
🔍 \$1,450.00

10' Square
🔍 \$1,350.00

AKZ 200lb Base
🔍 \$220.00

AKZ13 400lb Base
🔍 \$400.00

RECOMMENDATIONS

- It is highly recommended that AKZ bases be filled with sand as filling bases with water may cause freezing and cracking during winter months. **Sand must be purchased separately.**
- For maximum coverage, try arranging your furniture so that your umbrella base can be tucked away in the corner of a grouping.
- We recommend choosing the AKZ13 base for cantilever umbrellas that will be kept in outdoor areas with high winds.
