

2016 King's North Pinot Gris

Tasting Notes

Our 2016 King's North Pinot Gris is crafted in an Alsatian-style. Meaning we mature in neutral French oak to offer more richness, texture, body & dryness on the palate. Starting with a combination of both citrus & stone fruit, our Pinot Gris finishes with a lingering minerality & saline that calls for a multitude of seafood dishes.

Drink now through 2022.
