All sealed burner ranges and cooktops include backguard, wok ring and griddle cover (if equipped with griddle). Ranges & cooktops include backguard. (Packed in same carton) Backguard and control panel are always stainless steel. Cast iron grates black matte finish. Oven window in each oven door. Oven light is standard.

**\*\*Brass finish trim is on:** Bezels and name plate for cooktops. Bezels, name plate, handles and window trim for ranges.

Example: TTN511-7BW Stainless Steel accent TTN511-7BSW Brass accent.

Fuel codes: Prefix T indicates ranges and cooktops come with valves that are factory set for natural gas.

**\*Prefix P indicates equipment set for propane gas.** Example: TTN511-7BW natural gas TPN511-7BW propane gas.

Sealed Burners are not field convertible. Must order from factory set for natural or propane ( LP ) gas. Factory-set High Elevation available. Specify if delivery location is over 4,000 feet
