# EZ MESH

MODEL NO. 6031

Breathable hand protection ensures working hands stay comfortable in the glove, which prevents gloves being taken off due to hand discomfort.

EZ Mesh™ gloves are versatile and light-weight with a synthetic leather palm that allows for excellent dexterity, and is double stitched on top of another layer of synthetic leather for durability. Form-fitting, breathable mesh on the back of the glove and the adjustable short cuff ensure the gloves are comfortable and fit snugly while in use.
