DEEP III[®] CUT5

MODEL NO. 3204CUT5

The Deep III[®] Cut5 features the Cestus[®] oil-resistant Skid-X Grip[™], which is a textured, one-piece grip that is double stitched onto durable synthetic leather with Kevlar[®] thread to maximize grip control on wet, oily, or dry surfaces. Cut level-five resistant material gives the Deep III[®] Cut5 maximum cut protection that minimizes the risk of lacerations and cut injuries. Flexible Thermoplastic Rubber (TPR) impact shields on the back of the glove add impact protection that bends with the fingers and offers continuous protection from fingertips to wrist.

SIZES: L - 3XL

Testing & Certification

EN388 : 2016
