

DEEP III PRO

FIRE & RESCUE SERIES

MODEL NO. 3207

FEATURES KEYS & BENEFITS

Flexible TPR: Adds complete metacarpal protection and continuous coverage from knuckles to fingertips, including extensive web and thumb coverage.

SkidX Grip™: Adds oil, water and petro-chemical resistance, as well as heightened grip control in wet, oily or dry environments.

One-Piece Palm with Kevlar® Stitching: Adds abrasion resistance, durability and longevity in high-wear areas.

Targeted, Continuous Web of Hand Coverage: Minimizes pinches and punctures in a high frequency area.

High-Level Cut Resistant Palm: Exceeds most site standards.

The Deep III Pro features the Cestus®-specific, oil-resistant Skid-X Grip™, which is a coarsely textured, one-piece grip that is double stitched onto durable synthetic leather with Kevlar® thread to maximize grip control on wet, oily, or dry surfaces.

High density cut resistant base layer extends palmar cut protection to minimize the cut and puncture injuries. An industry first, single-piece flexible CestusAero™ vented Thermoplastic Rubber (TPR) impact shields on the back of the glove add breathable impact protection that bends with the fingers, and offers continuous protection from finger tips to wrist with complete web coverage.
