

# H2O ATTACK SX

MODEL NO. 2006

The H2OAttack™ SX was created to withstand the punishingly cold and wet environments of water rescue missions. Made with high-vis material strong enough to withstand extreme conditions and comfortable enough for extended wear. Impact protection to defend against debris, and a palm that protects from lacerations while maximizing grip control when dry, wet, or oily.

## FEATURES

- **Skid-X Grip™** - Adds oil, water and petrochemical resistance and heightens grip control in wet, oily, or dry environments
- **SlashWeave™** - Cut level-five base layer in palm bolsters protective capacity
- **Polycarbonate Knuckle Armament** - Protects knuckles against impacts and abrasions
- **Flexible TPR (Thermo Plastic Rubber)** - Shields against impact injuries
- **Hi-Vis Color & Reflective Striping** - Provides visual identifiers in low-light and emergency situations
- **Adjustable Wrist Straps** - Prevents debris entry and ensures a snug fit
