

DEEP IMPACT

CUT360

LEATHER SERIES

MODEL NO. 3219

FEATURES KEYS & BENEFITS

Classic ranch cuff to promote breathability.

Flexible impact protection with continuous protection from fingertips to wrist.

Supple goatskin leather outer gives maximum dexterity.

Invisible cut and puncture resistant base layer with 360 degree coverage.

With a design developed from industrial professionals, the Deep Impact Cut360 has the comfort and dexterity perfectly balanced with heavy industrial protection needs. Ultra-flexible goatskin leather gloves have evolved with hidden cut and puncture protection layers that can stop injuries pro-actively. Flexible impact protection keeps high incidence areas of injury protected without slowing you down. Classic ranch cuff keeps hands from getting too hot on long workdays.
