

# TOW GRIP® 101

MODEL NO. 3126C

The Tow Grip® 101 features an industrial-strength cotton palm and back-of-hand impact resistance for the non-drilling positions on the rig. The industrial-strength, one-piece, padded cotton palm gives the user high dexterity for uses like operating machinery, and is reinforced with Kevlar® thread double stitching. Flexible shields add impact resistance for full back of fingers down to the fingertips, thumb, knuckles and metacarpals on top of form-fitting, hi-vis spandex. The long cuff covers the wrist, while allowing the user to pull out of the glove if caught in a pinch or machinery.

## FEATURES

- **Dual-Layer Cotton Palm**- Provides dexterity, durability, and breathability
- **Flexible TPR (Thermo Plastic Rubber)** - Shields against impact injuries
- **Reinforced Zip-Grip Saddle** - Gives added grip control and reinforcement in high-wear areas
- **Form-Fitting Material** - Ensures breathability and comfort
- **Long-Cuff Design** - Adds protection, comfort and “tear-away” ability with machinery

## USES

- Search & Rescue
- Barrel & Drum Handling
- Bat Chain Pulling
- Gas & Oil Drilling
- Heavy Construction
- Tool Pushing
- Fracking
- Rigging
- Mining
- Extraction
