

# TOW GRIP

## 201 WINTER

### TEMP SERIES

MODEL NO. 5081

#### FEATURES KEYS & BENEFITS

**Membrane Liner:** breathable, waterproof barrier that keeps hands dry.

**Oil-Resistant, Dual-Layer Palm:** Adds oil and water resistance.

**Zip Grip:** Durable grip with oil, water, and petrochemical resistance, as well as textured palm for gripping power on wet, oily or dry surfaces.

**Flexible TPR Shields:** Full back-of-hand protection for back of fingers down to the fingertips, thumb, knuckles and metacarpals.

**Kevlar® Double Stitching:** Adds durability and longevity to palm.

**Reinforced Saddle:** Adds longevity in high-wear area.

**Fleece Liner:** ensures the hand stays dry and warm in cold weather, without sacrificing flexibility.

Gripping power is crucial when working with multiple textures and slick surfaces in oil and gas production, which is why the Tow Grip 201 Winter has reinforced, oil resistant grip on its palm.

The oil-resistant, dual-layer Zip Grip palm features a non-slip grip on top of a cotton palm for staying grip control on the Tow Grip 201 Winter that is reinforced with Kevlar® thread double stitching. Fleece Liner and a Membrane Liner ensure hands stay warm and dry while working in cold weather. Flexible Thermoplastic Rubber (TPR) shields on the back of the glove add impact protection that bends with the fingers, and offers continuous protection from finger tips to metacarpals.
