

TOW GRIP™ 101 WINTER

MODEL NO. 5076C

The Tow Grip™ 101 Winter features an industrial-strength cotton palm, water-resistant insulation, and back-of-hand impact resistance for the non-drilling positions on the rig. The industrial-strength palm gives the user high dexterity for uses like operating machinery, and is reinforced with double stitching. Insulated liners ensure hands stay warm and dry when working in cold weather. Flexible shields on the back of the glove add impact protection that bends with the fingers, and offers continuous protection from finger tips to metacarpals.

FEATURES

- **Membrane Liner** - Breathable, waterproof barrier keeps hands dry
- **Dual-Layered, Padded Cotton Palm** - Improves dexterity with industrial-strength durable and breathable cotton
- **Reinforced Zip-Grip Saddle** - Provides grip control and reinforces high-wear areas
- **Flexible TPR (Thermo Plastic Rubber)** - Shields against impact injuries
- **Fleece Liner** - Ensures the hand stays dry and warm in cold weather, without sacrificing flexibility

USES

- Heavy Construction
- Snow Plow Operation
- Snow Removal
- Warehouse Workers
- Ranching
- Forestry & Timber
- Forest Ranger
- Plumbing
- Demolition
