

DEEP III® PRO WINTER

MODEL NO. 5207

The Deep III® Pro Winter features an oil-resistant grip, which is a coarsely textured, one-piece grip that is double stitched with Kevlar® thread to maximize grip control on wet, oily, or dry surfaces. The high-density cut-resistant base layer extends palm cut protection to minimize the cut and puncture injuries. An industry first, the continuous impact system with vented impact shields on the back of the glove, adds breathable impact protection that bends with the fingers, and offers continuous protection from finger tips to wrist with complete web of hand coverage.

FEATURES

- **Continuous Impact System** - Flexible continuous web of hand coverage that minimizes pinches and punctures
- **100g Thinsulate™ Interior Lining** - Wind-proof, Waterproof barrier ensures hands stay dry and warm, without sacrificing dexterity
- **Flexible TPR (Thermo Plastic Rubber)** - Shields against impact injuries
- **Skid-X Grip®** - Adds oil, water and petrochemical resistance, as well as heightened grip control in wet, oily or dry environments
- **One-Piece Palm with Kevlar® Stitching** - Adds abrasion resistance, durability and longevity in high-wear areas

USES

- Gas & Oil Rigging
- Heavy Construction
- Extrication
- Rigging
- Tool Pushing
- Mining
- Search & Rescue
