

# BOXX™

## TRADE SERIES

MODEL NO. 404I

MODEL NO. 4046 HI-VIS

### FEATURES KEYS & BENEFITS

**Ripple Grip® Palm:** Maximizes grip control for smooth, wet and dry surfaces.

**Reinforced Saddle:** Adds durability in a high wear area.

**Form-Fitting Material:** Ensures a snug fit and breathability.

**One-Piece Palm:** Adds durability, longevity and reduces risk of palm damage to the glove.

**Terry Cloth Back on Thumb:** Absorbs moisture to keep hand dry, or for wiping brow.

With a tacky, industrial grip and light-weight design, Boxx™ gloves boost productivity while handling boxes or moving heavy items, as well as keeping your hands comfortable.

Boxx™ gloves come with the Cestus® exclusive, silicone Ripple Grip® palm that maximizes grip control and dexterity on smooth surfaces. Synthetic leather reinforcement in high-wear areas adds durability, while form-fitting material on the back of the gloves ensures a snug and breathable fit. Hexagonal Memory Gel® in base of palm adds vibration and impact absorption.
