

# THREE5™

## TRADE SERIES

MODEL NO. 6071

### FEATURES KEYS & BENEFITS

**Dual Layer, Anti slip grip adds water-resistant grip that has maximum dexterity**

**Exposed Thumb, Index and Middle finger for increased tactile dexterity**

**Form Fitting Material Conforms to your hand in all direction increasing dexterity and comfort while reducing hand fatigue and increasing breathability**

**Adjustable Wrist straps Ensures glove fits snugly while in use.**

Some jobs require dexterity that only your fingers can provide, which requires gloves that allow access to fingertips while still being protective.
