

# BOXX

MODEL NO. 4041 **BLACK**

MODEL NO. 4046 **HI-VIS**

With a tacky, industrial grip and light-weight design, Boxx™ provides improved grip and comfort while handling boxes or moving heavy items. It comes with a specialized silicone palm that maximizes grip control and dexterity on smoother surfaces. With synthetic leather reinforcements, form-fitting material, and a gel palm the Boxx™ ensures a snug fit with vibration and impact absorption.

## FEATURES

- **Ripple Grip® Palm** - Maximizes grip control for smooth, wet and dry surfaces
- **Reinforced Saddle** - Adds durability in high-wear areas
- **Form-Fitting Material** - Ensures a snug fit and breathability
- **One-Piece Palm** - Reduces risk of glove damage and adds durability and longevity
- **Terry Cloth Back on Thumb** - Absorbs moisture to keep hands dry

## USES

- Mechanic
- Courier
- Warehouse
- Bricklaying
- Aircraft Maintenance
- Weapon Handling
- Tactical & Special Ops
