

NITEGRIP

MODEL NO. 6001

NiteGrip® offers economic protection with a nitrile-dipped palm for maximum tactile dexterity and grip control with breathability and comfort. The seamless construction adds durability and provides protection from tears and punctures.

FEATURES

- **Nitrile-Dipped Palm** - Synthetic latex material protects from latex allergies and provides tactile dexterity
- **Thin Design** - Ensures maximum breathability for comfort and dexterity
- **Elasticized Cuff** - Ensures a snug fit while in use
- **Seamless Construction** - Adds durability and longevity
- **Non-Coated Back** - Ensures breathability and comfort

USES

- Mechanics
- Couriers
- Electricians
- Maintenance
- Factory Work
