

HANDMAX[®] SAFETY

MODEL NO. 6085

HandMax[®] Safety is a versatile glove with high-visibility orange spandex and reflective striping to enhance visibility on hazardous job sites. The dual-layer, anti-slip grip palm adds water-resistant grip control for maximum dexterity.

FEATURES

- **High-Visibility Orange with Reflective Striping** - Adds hand visibility in low-light and hazardous situations
- **Dual-Layer, One-Piece, Anti-Slip Grip** - Adds a waterproof grip for maximum dexterity
- **Reinforced Thumb and Index Finger** - Increased glove durability
- **Form-Fitting Spandex** - Adds breathability and comfort

USES

- Couriers
- Mechanics
- Weapon Handling
- Warehouse
- Aircraft Maintenance
- Tactical
- Special Ops
- Bricklayer
