

# Why This type of Fundraiser?

## SIMPLICITY

For years organizations have turned to small sale items to raise money for their essential needs. This involved a large group of individuals working together to achieve tangible results. It involved many hours getting orders, tracking forms, collecting money, processing group sales and delivery to the customers.

We at Ultimate Comfort are here to change that. We come to you and set up in a weekend a room that features only the highest quality products available at discounted rates. We offer consumers in your area over 40% savings off retail pricing. We give your organization a percentage of every sale made.

You supply the space and we provide the print ready sales materials to spread the word by email, newspaper, social media, posters, and word of mouth. You get the people there and we handle everything else. The more people who attend, the more successful your fundraiser will be. Our team sets up, brings experienced sales staff, and delivers our sleep systems. *Give us a day and we will help you get the pay!*

## Meeting Community Needs!

According to research at least 1 out of every 10 homes replace a mattress annually. No matter what size your community, the potential is there to achieve a successful sale. This is a practical need of consumers in your area. Hosting a mattress fundraiser supports your organization and meets the need in your community at a discounted price. We will be offering American made mattresses and bases, that have great warranties. Additionally, we will have a wide selection of bedding accessories such as sheets, pillows, and mattress protectors.

## Why Ultimate Comfort?

We at Ultimate Comfort developed our Ultimate Fundraiser after years of experience working with individuals in the community.

This gives us to opportunity to offer deep discounts for our civil servants such as, 1st responders, Police, Doctors, Nurses and Veterans. We also offer those same type of discounts to our elderly and disabled. We truly care about our community and want to pass our blessings on.

We wanted to be able to reach out and offer these savings to more individuals and be able to help our communities on an even larger scale.

We are blessed to have the opportunity to help your organization meet its financial needs while also helping those in the community. Please contact me by phone or email to schedule your event or answer any additional questions. Your consideration is appreciated.

*Thank you for your time,

- team sports
- non-profits
- fire fighters
- police
- community organizations
- day care centers

At No Upfront Cost To You!!

## What we don't do:

- We don't make the kids sell products
- We don't make the parents sell products
- We don't have the team buy anything
- We don't make the organization collect money
- We don't make the kids deliver products
- We don't make your organization wait forever to get your money
