

## Pillow Care Instructions

1. Protect your pillows with a pillow protector.
2. Wool filled pillows can be refreshed in the sunlight every month to keep wool resilient and fresh. Hand wash only if necessary and air dry.
3. Latex pillows should not be exposed to UV light as it will degrade the latex. Do not wash latex. Covers may be washed if necessary.
4. Tencel™/Recycled Poly filled pillows can be machine washed on gentle cycle and air dried as needed.
5. Need more fill? We offer up to 2 pounds extra fill for all of our pillow fill options.
