Get to the root of the matter.

HT144 SHRUB GUN

The HT144 Shrub Gun is changing the way arborists, landscapers and gardeners care for trees, shrubs and flower beds. Operating on a 70 cfm compressor that's compact enough to fit on the back of a pick-up truck, the two-foot barrel allows for controlled excavation and soil aeration.

HT144 Shrub Gun features and benefits:

- High performance, supersonic 60 cfm nozzle
- Lightweight, fiberglass barrel with adjustable dirt shield
- Ergonomic, pistol-grip style handle with soft, rubber grip
- Comfortable, dead-man trigger ensures safe operation
- Short barrel simplifies close-in work
- Inlet: 3/4" NPT (Male)
- Chicago-style connector
- Extensions and optional nozzles available
