

## **Price Match Policy**

We at Boston Laser Tech are pleased to give Price Match Guarantee If you find a lower price on any item we sell, we'll match it. Even up to 2 weeks after you purchase it from us. You're covered whether we put it on sale or any of our competitors do. Our customers shop with us because of our experience working with business owners, engineers and contractors. We also know that we have to offer the best prices possible along with reliable laser machines to earn your business. We established this guarantee to ensure you get exactly that. You must claim your refund/discount within 2 weeks of purchase. The price includes any discounts, promotions, and shipping charges. The lower price must be publicly advertised from an authorized dealer. Good on any new equipment only. To claim your refund or discount, just email our sales department at [sales@blazer-tech.com](mailto:sales@blazer-tech.com) with a link to the lower price.

## **Financing Policy**

We at Blazer-tech offer a simple, no-hassle application process, respect your time with a speedy same day approval, are transparent and clearly disclose all lease details. We work effectively with all businesses that need our help, answer all questions, are flexible in collateral and other capital requirements, and say yes when the bank says no. We'll help you get the lowest total cost of ownership. You can't afford NOT to work with our financial solutions for you.
