

## **GembaRed Goal**

### Stand Installation Instructions

Version 1.0

8/11/2020

#### **Included:**

1x GembaRed Goal LED Light

1x Circular Base

1x Allen Wrench

1x Allen Bolt

1x Washer

#### **Not Included:**

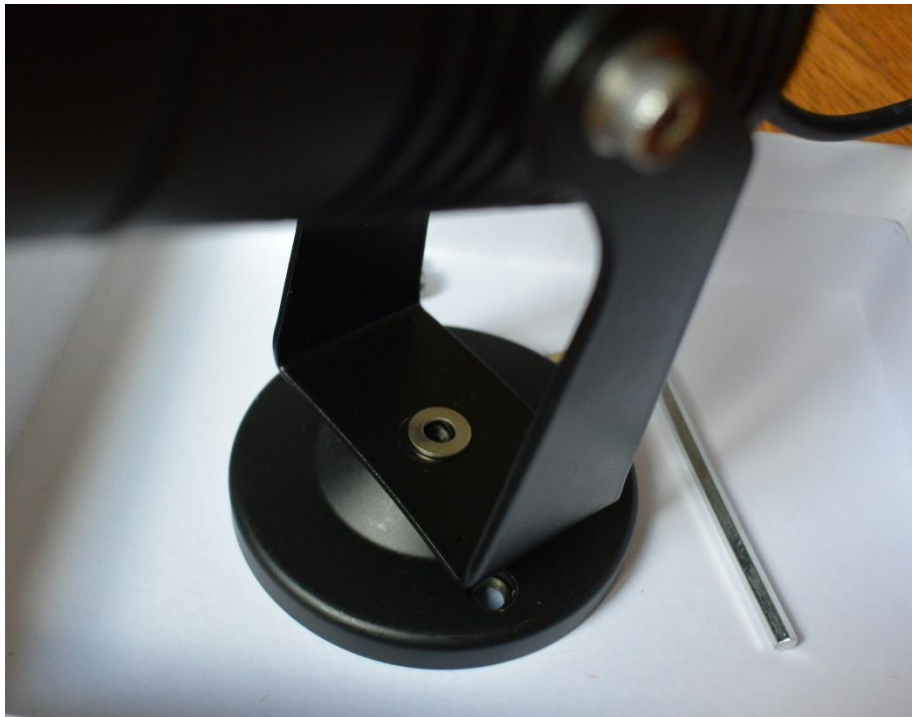

Power Adapter – refer to the website for recommended power supply.

**Steps:**

- 1. Balance the Goal Light on the Circular Base. Line up the bolt hole in the middle.**

- 2. Put the Washer over the hole.**

**3. Use the Allen Bolt and start threading it by hand.**

**4. Use the Allen Wrench to make sure the bolt is snug. Do not overtighten, as that might strip the threading.**
