Promotional and Regular Balances

Promotional Plans. You will see all of your plan details including the type of promotion, the expiry date, interest charges, your outstanding balance and the amount due this month. You'll also see a summary of your regular credit purchases. This includes regular credit purchases, balances from promos that expired or were canceled without full payment and any unpaid portion of the Current Payment Amount.

- Promotion Expiration Date: If you have a deferred (interest accrues) plan on your account, you must pay your promotional balance in full before this date to avoid being charged interest on your purchase amount, which accrues starting from the purchase date
- Accrued Interest Charges: Interest on your purchase starting from purchase date which will only be charged if you do not pay your full promotional balance before the promotion expiration date.
- Interest Charged: The interest amount that is due for your current statement period.
- Outstanding Balance: This is the outstanding balance for each transaction type on your account.
- Amount Due: The total amount that should be paid by the payment due date.
