PRINTABLE RING SIZER

- Print this page at 100%. Do not shrink or stretch
- To make sure of proper print size, place a credit card or ID Card on the image below to make sure it lines up.
- Cut out the sizer, then cut a slit in the end for the pointed part to go through
- Wrap sizer around your finger where you want to wear your ring and slide pointed end through the slit
- Take a look at the number and that is your ring size

-OR-

- Find a ring that you want to measure (make sure its for the right finger)
- Place ring on the circles below
- You want the inside edges to match circle and ring
