

## NORTHERN NEVADA CHAPTER SAFARI CLUB INTERNATIONAL

### SPONSORSHIP OPPORTUNITIES

Is your business looking for a unique opportunity to showcase your product or services to enthusiastic outdoor sporting individuals?

The 2018 “Northern Nevada Chapter of Safari Club International Annual Dinner/Fundraiser” could prove to be just the event you have been waiting to sponsor.

Established in 1996 as an extension of the National Safari Club International organization based in Tucson, Arizona, formed to support conservation, wildlife and habitat, with a strong focus on hunters rights. NNSCI has now evolved through consumer demand into one of Northern Nevada’s premier Outdoors conservation organizations. Recognized locally as a leader in protecting Nevada’s wildlife, their habitat, conservation and our local area hunters, outdoorsmen, women, and our youth.

Our evening is designed to offer an environment to our attendees to visit with friends, talk about the outdoors and adventures they have each experienced, along with offering an opportunity to visit with our exclusively selected professional, ethical and moral donors and outdoorsmen in a non- pressured social, dinner atmosphere which includes games, raffles, live and silent auctions and much much more.

This format has proven to be very successful for our donors and has proven to be a must visit event by our attendees year after year. **Isn’t it time that your company becomes a partner, sponsor or exhibitor with our team?**

All levels of sponsorship include targeted exposure to the Northern Nevada Chapter membership, along with like minded local area outdoor organizations including, The Wild Sheep Foundation, the NRA and loyal audience in the region through shared Web, Social Media, Print and TV posts.

## **NNSCI Dennis Laczynski Scholarship Program**

Since 2001, Northern Nevada Chapter of Safari Club International has provided scholarships to numerous undergraduate students attending the University of Nevada, Reno, an affiliate or a major college in the area that supports the mission of the Northern Nevada Safari Club International. The chapter's scholarship committee makes all annual scholarship selections based on student achievement, need and their contributions to Nevada's wildlife. Most scholarship students major in wildlife management or a closely related field, but we've awarded scholarships to pre-med students, education majors and others who have contributed to Nevada's wildlife and sportsmen and who indicate a desire to continue those efforts.

Over the first fifteen years that the Northern Nevada Chapter of SCI has been providing scholarships to local area students, we have gifted over \$125,050 to 132 Scholars, with our first scholarship being awarded in 2001 to Jeremy Drew and continuing through our most recent 2017 selections listed below. The NNSCI scholarship committee is now accepting & reviewing applications for our 2018-19 scholarship selections.

### **2017-2018 Recipients**

***Griffin Foxworthy***

***Austin Travis Schiavone***

**If assisting our local area youth with their education dreams is something you feel strongly about, please think about donating to our Scholarship program and give a gift that will keep giving for years.**

**Any and all donations are welcome and will be recognized in our 2017 NNSCI dinner program and throughout our marketing and social media programs.**

# NNSCI Mobile Wildlife Education Center

# Sensory Safari Trailer

## The Northern Nevada SCI Chapter is excited to present our Mobile Wildlife Education Center

This new and exciting mobile exhibit, has been created to move around Northern Nevada and bring wildlife and our SCI story to the local area schools and beyond.

Our mobile wildlife center is a hands on exhibit, which allows our visitors young and old alike to feel the fur, antlers, horns and more. Where else can you have the opportunity to see a leopard or baboon up close or to feel the fur of a black bear, antelope, deer or skunk.

If interested in having the mobile center visit your school, business or event please let us know and we will make it happen.

**Donations are welcome to help offset travel, storage and upkeep necessary**
