# How to make a pumpkin lantern

## Materials

You will need:

Orange Card
Green Card
Marker Pen

You will also need:
Stapler

## How to Make

1. Fold the orange card in half lengthwise.

2. Make cuts from the folded edge 1·5cm apart, about 6cm long stopping about 1cm from the edge.

3. Open out and draw on eyes, nose and mouth.

4. Finally, roll to form a tube and staple at the top and bottom. Attach the handle with staples at each side.
