Many starlets are happy to share their beauty routine, but it feels a little “Yeah...duh,” considering that a 23-year-old with perfect skin is telling you all she does is drink a lot of water. What we’d rather know is what magic potions and beauty secrets Martha Stewart subscribes to — after all, she’s 73 and looks as good as she did at the height of her modeling career. Now, in the latest issue of *Martha Stewart Living*, the mogul shares how she’s spiced up her makeup routine.

She relies on an arsenal of investment products, but stays true to her favorites: “I use a Yon-Ka Gommage mask, Mario Badescu A.H.A. Botanical Body Soap, Susan Ciminelli Hydrating Formula, SkinCeuticals Serum, and Cle De Peau La Crème as part of my beauty routine. I’ve also been wearing Fracas as my fragrance since I was 19.”
