HOLIDAY COLLECTION

EASY STREET PUBLICATIONS

is pleased to present our new collection of Art Parody Holiday Cards. We think it is quite possibly the best collection of it's kind in the world.

In our exclusive collection we have chosen famous paintings and put our Holiday twist on them. We hope that you enjoy our cards as much as we enjoyed putting the collection together.

Each card is printed on premium card stock and measures 5x7 inches. Each has an inside message "Season's Greetings". They are sold as either boxed sets of 12 cards with envelopes or as individual cards inserted into a poly bag with an envelope.

In addition to our Holiday Cards, new for this year are our Art Parody Gift Tags. These gift tags come 6 in a pack and each has a gold string attached.
