

LANNA WALL GARDEN.

Our range of vertical garden screens are designed and made in Melbourne from pre-galvanised wire with zinc plated components.

Available in a textured black or white powdercoated finish, with a choice of black, white or terracotta coloured sealed polypropylene pots and polished river pebbles for ballast.

All of our vertical garden screens include concealed mounting points welded into the back, base and top of each screen for floor, wall or ceiling mounting where required.

Talk to us about creating custom size greenwalls for your next project.
