

O.C. VERTICAL PLANTER.

Our O.C Hanging Planter is a simple and elegant design made for indoor use.

Made from powder coated zinc plated steel, the O.C. Hanging Planter houses three or five 150mm (depending on planter size) sealed ppe pots that are suspended in a fixed mulch plate and fitted with stainless steel suspension cables of a specified length.

Available as standard in texture White, Black (pictured), Nurse Grey, Asteroid and Brilliance. Custom colours are available on request.

The O.C Hanging Planter is an elegant addition to any space and a stylish way to incorporate greenery into commercial spaces.
