How to use our FREEPOST servcie:

Please save a minimum of 4 toothbrush heads before posting.

Step 1:

Print, cut out and secure the FREEPOST lable to a C5 envelope.

Step 2:

Fill the envelope with your old brush heads, up to 100g – make sure they're dry first.

Step 3:

Seal the envelope, ensuring your brush heads are secure inside.

Step 4:

Post the envelope - there's no need for a stamp, it's FREE!

What happens to your brush heads?

Yes, it's the worlds first fully closed loop brush head recycling scheme.

Step 1:

Your brush heads will be collected and broken down.

Step 2:

The bristles and silicone will then be seperated and the left over plastics cleaned and processed.

Step 3:

This reprocessed plastic is then made into new prodcuts, soon to be available on our website.

What products can you send back?

Because the planet is more important than ego, we will being accepting brush heads from other companies too.

We accept and recycle all
Ordo toothbrush heads, as well as
toothbrush heads from other brands.

hello@ordolife.com @ordolife

TIP: To save CO₂ emissions, please don't post single brush heads.

TIP: Please weigh your envelope before posting – a C5 envelope must weigh less than 100g.

TIP: We may also accept other products for reycling – just get in touch to check before sending.
