

# Molchanovs Instructor Course IC @ Y40

1-8 June 2020 - EUR1850

1-5 June 2020 - EUR1150 (Crossover Course)

Molchanovs launches its unique Wave Education System in Europe. We will run an Instructor Course including crossover option for instructors from other agencies. This is a great opportunity to get to know the Molchanovs system and to do so with a unique assembly of Molchanovs Education Board Members:

- **Oli Christen-Drew**, Head of Wave program
- **Alexey Molchanov**, Founder, WR-holder, present for day 1 and 2 of the IC
- **Vitomir Maricic**, Co-author, WR-holder, present for day 1 and 2 for the IC

The Molchanovs Wave System is deeply rooted in the believe that freediving technique should be taught to the highest possible standards. In this IC you will get personal feedback and training advice from Alexey and Vitomir, two undisputed top freedivers of our time, while Oli will provide you with the latest in freediving education development.

## Instructor Course (IC) - 1-8 June - EUR1850 with Oli Christen, supported by Alexey Molchanov & Vitomir Maricic

- excl. Y-40 admission fee

The **IC and IC-X** are lead by the **Head of Wave Program Oli Christen-Drew**, supported by assistants. Alexey and Vitomir will be present for the first 1-2 days before leaving for Vertical Blue.

## **Application Process**

### **Pre-requisites**

- Certified Wave 3 (Lap 3) Freediver
- You can do a two-day crossover evaluation before the IC to attain this certification.
- You can also do a crossover evaluation with any Molchanovs instructor anytime before the IC.

### **Questions for your email:**

Send us an email so we get a chance to know you. Please include also the following information:

- Are you a Wave 3 (Lap 3) certified freediver?
- If not, which is your highest certification?
- Have you assisted in teaching courses of any level in any agency (pool and/or open water)? If yes, which courses and who was the instructor?
- Are you interested in the Open Water Instructor Certification (Wave 2 Instructor) or Pool Instructor only (Lap 3 Instructor)?
- If you are not already Wave 3 (Lap 3) certified, are you interested in doing a two-day Wave 3 (Lap 3) Crossover Evaluation at the Y-40 within 28-31 May?
