

Molchanovs Instructor Trainer Course ITC @ Y40

28-30 May - EUR 1040 pp (incl. crossover option)

Molchanovs officially launches its unique Wave Education System in Europe. We will run an Instructor Trainer Course including crossover option for ITs from other agencies. This is a great opportunity to get to know the Molchanovs system and to do so with a unique assembly of Molchanovs Education Board Members:

- **Alexey Molchanov**, Founder, WR-holder
- **Oli Christen-Drew**, Head of Wave program
- **Vitomir Maricic**, Co-author, WR-holder

The Molchanovs Wave System is deeply rooted in the believe that freediving technique should be taught to the highest possible standards. In this ITC you will get personal feedback and training advice from Alexey and Vitomir, two undisputed top freedivers of our time, while Oli will provide you with the latest in freediving education development.

Application Process

Pre-requisites for Master Instructors

A **Wave 3 Instructor** can upgrade to **Molchanovs Instructor Trainer (IT)** by fulfilling the following requirements:

- Active Wave 3 Instructor
- Have at least 1 year of teaching experience as a Wave 3 Instructor (or equivalent in other agencies)
- Minimum of 150 Certifications (min. 10 W2, min. 10 W3). Certifications from other agencies are accounted with 50% (e.g. 60 certifications from another agency are worth 30 Wave certifications)
- Track-Record of leading min. 20 Base Sessions
- Have assisted in min. one complete Molchanovs IC
- Have assisted in min. one Molchanovs IC (Opportunity: 1-9 June 2020 at Y-40)
- Other: see instructor standards

Pre-requisites for Instructor Trainers of other Agencies

Instructor Trainers from other agencies can become a **Molchanovs Instructor Trainer** by fulfilling the following minimum requirements:

- Proof of Instructor Trainer Certification from another agency
- Minimum of 150 Certifications (min. 10 W2, min. 10 W3). Certifications from other agencies are accounted with 50% (e.g. 60 certifications from another agency are worth 30 Wave certifications)

Candidates fulfilling these criteria may send a complete application as described below.

Successful candidates will be activated as Molchanovs IT when they have passed the following additional requirements:

- Have assisted min. one complete Molchanovs Instructor Course or Molchanovs Instructor Crossover Course (opportunity to do so in the Molchanovs Instructor Course 1-8 June 2020 at Y-40)

- Have passed performance requirements in DNF, CNF, DYN (monofin) and CNF (monofin) on W3I level
 - DNF 75m
 - CNF 35m
 - CWT 50m (will be tested to 40m at Y-40)

Questions for your application email:

IT candidats or IT crossover candidates:

- Complete general CV, incl. complete list of attained instructor certifications, also from other agencies
- Are you an IT in another system already?
- When were you certified as instructor (and IT), on what level?
- Have you run or assisted in a Molchanovs Freedive Instructor course (pre-requisite for certification / crossover)? If not, would you be available to assist in the IC-X 1-5 June, or the whole IC 1-9 June 2020 in the Y-40?
- Complete list of issued certifications of any agencies.
- Motivational letter: Why would you like to teach Molchanovs ICs?
- Business outlook: Where and how will you run Molchanovs ICs and how can Molchanovs support you doing so?

The Molchanovs Education Board will hold a vote on each candidate that has submitted a complete application. The majority of the board must be in favor for the candidate without a veto. With the approval by the education board, a candidate is allowed to join any upcoming **Molchanovs Instructor Trainer Course**.
