

FLAX SEED Organic Carrier Oil

Botanical Name: *Linum usitatissimum*

Extraction Method: Cold Pressed

Processing Type: Unrefined

Obtained From: Seeds

Origin: China

Description: Organic Flax Seed Oil is an emollient, high in essential fatty acids, vitamin E , vitamin B and minerals. It contains the alpha-linoleic acids (ALAs) which may contribute to younger looking skin.

Color: Pale yellow to golden yellow liquid.

Aromatic Description: Typical and Characteristic of Carrier Oils.

Common Uses: Organic Flax Seed Oil is reputed to be an excellent oil to use on sensitive skin. It is often added to other carrier oils, creams and lotions in order to add skin strengthening properties. It is also very soothing and is reputed to reduce the look of cellulite and to improve elasticity. Organic Flax Seed Oil can also be used to nourish the hair.

Consistency: Typical and Characteristic of Carrier Oils.

Absorption: Organic Flax Seed Oil will leave a very oily feeling on skin.

Cautions: None Known.

Storage: It is recommended that cold-pressed carrier oils be kept in a cool, dark place to maintain freshness and achieve maximum shelf life. If refrigerated, bring to room temperature before using.

NOTE: We have a 'No Return' policy on any unsealed organic products as per our compliance with the QAI Organic Certification Program.
