

TSA LOCK © System Use

Using this Travel Sentry® Approved lock allows your luggage to be unlocked and inspected by security authorities without damage.

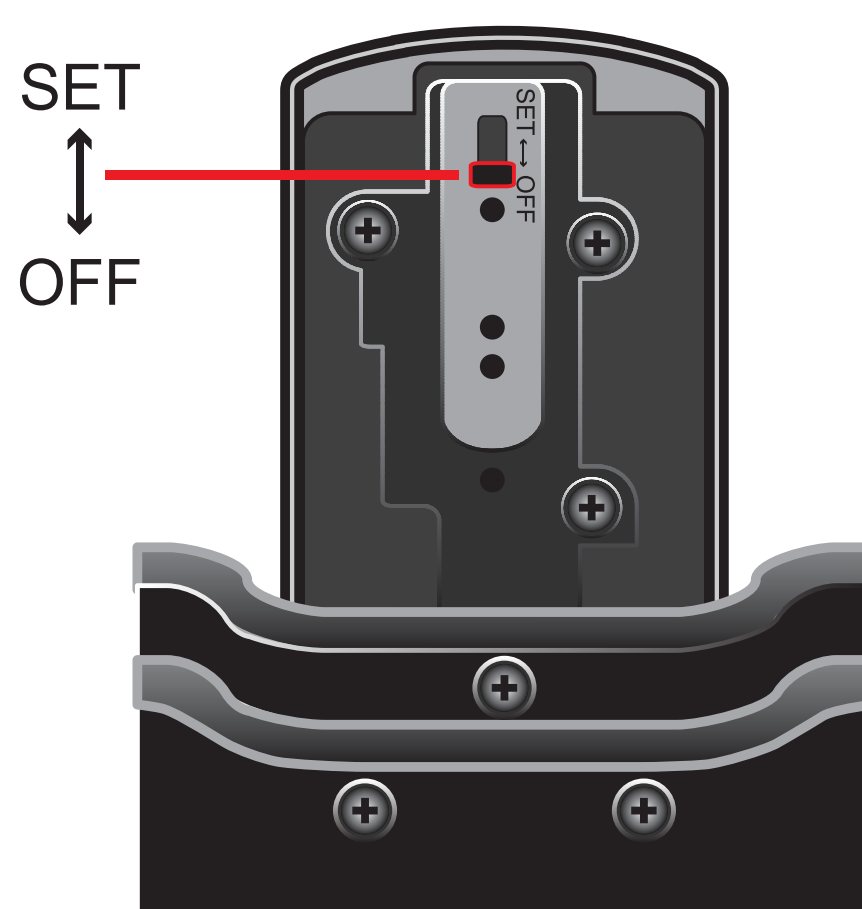

For more information on the Travel Sentry® Approved override system, please visit www.travelsentry.org

How To Reset the Combination

1. When you purchase the suitcase, the dial is set at 0-0-0. Press the button in the direction of the arrow to open the latch.

2. Once the suitcase is unlocked and fully opened, locate the switch on the underside of the lock(s). Move the switch to "SET" to unlock the combination setting.

3. Spin the dials to your chosen combination numbers, then move the switch to "OFF".
