

Growth Rings

Chart by Ink Circles. Published in the March/April 2009 Issue of Just Cross Stitch.

Errata—First off—**DON'T PANIC!** Most of these are just a stitch or two off and not worth going back for if you stitched past it. Find the matching part on your chart in the magazine and mark the correction.

Second thought—No need to feel angry; We are all human and mistakes in something this big happen. Put it all in perspective. You paid \$4.99 (if it was the only thing in the issue you liked) for the magazine for what would have been a \$14 or \$16 chart if published by Ink Circles.

Happy Stitching,
Tracy
