

FOAM

TECHNICAL SHEET

Foaming liquid soap with wax

Malo Distribution's MOUSSE soap cleans all types of vehicles without leaving traces. It brings out the luster of paintwork and all other glossy finished surfaces. A tiny amount the size of a two dollar at the bottom of a boiler is enough to properly clean your vehicle.

Manual

- 1- Use a bucket and clear water
- 2- Add foam soap depending on the amount of water used
- 3- Stir the water to make the mixture
- 4- Wet your vehicle
- 5- Use a mitt or brush to wash your vehicle with the mousse mixture
- 6- Rinse with clear water.

Conditioning

Packaging: 1 liter bottle (MMP2)
 4 liter container (MMP3)
