

## IMPORTANT WARRANTY/REPAIR INFORMATION

1. Disassembling or extremely modifying your WESN product will void your warranty. Otherwise, your WESN product has a lifetime warranty against manufacturer defects in materials and workmanship. On WESN knives, this does not apply to sheaths or pouches.
2. Normal wear and tear from use is not covered by the warranty, nor are loss, theft, rust or corrosion, broken blades or misuse. Please refer to wesngoods.com for full details.
3. If you need to mail in your WESN product for any type of warranty work, fill out all this form completely and include it in the package with your product. This is necessary and allows us to process your return or repair work in a reasonable amount of time. You must include an email address to be notified of return shipping information.
4. PLEASE CLOSE FOLDING KNIVES, SHEATH FIXED BLADES, AND COVER SHARP ENDS. THIS IS NECESSARY FOR THE SAFETY OF OTHERS.

**THIS ITEM HAS SENTIMENTAL VALUE. CALL BEFORE REPLACING**
