

GODZILLA: FEATURE MATRIX

MAIN ATTRACTIONS	In this monster-packed pinball adventure, players become Godzilla! It's up to Godzilla and his allies to rid the earth of the Xilien invasion by destroying cities, battling kaijus, and conquering Mechagodzilla to become King of the Monsters!
	Premium and LE models feature a motorized collapsing skyscraper building bash toy, animated breakaway bridge ramp guarded by a custom molded Godzilla sculpture, and a motorized rotating 3 bank of stand-up targets revealing a spinner and jump ramp. Players can launch pinballs up the jump ramp to bash into a magnetic ball catching, custom molded Mechagodzilla sculpture.
	All models include an industry first "Magna Grab" Godzilla magnetic newton ball, capable of catching pinballs from five different shot paths including straight from the plunge.
	This magnetic newton ball can also divert pinballs to set up shots from the upper left flipper.
	All models come equipped with Insider Connected™, a comprehensive technology initiative to connect the universe of Stern pinball machines
	<i>Immersive video and audio from 10* Toho Showa Era Godzilla films.</i>
	All models include the original theme song from the 1954 movie "Godzilla"
Iconic title song "Godzilla" by Blue Oyster Cult instantly transports players into the Godzilla universe.	
All versions include stunning and distinctive hand-drawn artwork by Zombie Yeti.
