RS Max Football Table · Rafael Rodríguez

Go big. Take it to the fullest. The RS Max football table shows that although two is company, three is not a crowd. And even eight is the perfect number to exploit the potential and personality of this football table. The RS Max is the long version of the RS3 Wood. We've resized it to double the fun, accommodating eight players instead of four, making it the ideal game for community spaces and group settings. More players. More laughter. More goals. More excitement.

A lo grande. Al máximo. El fútbol RS Max viene a demostrar que dos es compañía, tres no es multitud y todavía hay lugar para más. Ocho es un número redondo y la cifra perfecta para que este fútbol despliegue todo su potencial y su personalidad a lo grande. El RS Max es la versión alargada del RS3 Wood. Lo hemos redimensionado para duplicar la diversión y convertirlo en el juego perfecto para espacios comunitarios y colectividades. Más jugadores. Más risas. Más goles. Más emoción.

Go bigger to enjoy it
to the max.
